

Important Notes:

Some providers may not be available in the near future. Please view the provider profile to view details.

Joining Network:

This provider will be joining the network/location soon. Services provided may not be covered until this provider is active.

Leaving Network:

This provider will be leaving the network/location soon. Services provided after departure will be out-of-network.

To receive the highest level of benefits, we recommend that you:

- Confirm with the provider that your network is accepted.
- Receive services from an in-network provider
- Confirm with the provider that the address, phone number, specialty, and network participation are correct.
- Use the number on the back of your id card to verify with BCBSTX customer service that the provider is in network and the benefit is covered in your plan.
